So ya wanna try to understand A Monster?
Hi! You guessed rite! I'm really "A Monster!!"
(Actually my name is "A Suppressed side of the truth, but You're prohibited from even considering THAT!)
My basic story was that I was kicked out of the cast of "Monsters, Inc." (that big fancy blockbuster movie!) for being too innovative & too daring!
I was able to get some individualistic, fer'em demystification past the corporate editors! I did A Toon!
Yeh, I can Also shift my Shape! & color! Yep, took lots of practice!
BLAH! BLAH!
UHAV ADHD!
WRONG! Prohibited BAD!
Due to the need for cashflow everything.
Just Like USMC general Smedley D. Butler dared speak in the book WAR IS A Rracket!
Ah, that's bett'R!
I certainly did as a 14 & 15 year old....
No I was able to truly hear me.. & so I fell back on my programming!!
Everywhere I went from there, felt like I was redlisted!
You get enough of that & after awhile They Make You into A Real Monster. All thanks to the consequences of Alienation, Inc.
...unable to free itself from misery loves company!
A little rusty drawin feet!
oops, ya drew my foot Wrong!
Some on the parade of Enemies don't go quietly.. And in that, some resort To the only thing they "know" war in a plethora of forms:
TRAINED SO DEEPLY TO THINK STUPIDITY CAN SOLVE PROBLEMS.
But I can see why so many revert to the... Militaresque Flail.

That is, alleged "anti-savage" * 'civilized' society verifiably making human sacrifices.
APPARENTLY for 4,000? or so years, the 'prevailing' Roman'esque' Mindset Lockstep has gotten itself STUCK in this kind of Misery LOVES COMPANY!
If only I could figure out how to haunt them in their dreams towards Liberatory outcomes!
OK! bring in the Good Cop! Nice job Sergeant.
Look U LITTLE SNOTNOSED FAGGOT, Either YOU TELL ME WHAT THAT SICK DID, OR I SEND U to Spofford * where I GET truly RAPED BY GUYS MY SIZE!
(suicide seems to be my option since no I will listen open-mindedly)
YU WILL SHAPE UP OR I'LL HAV U SHIPPED OUT to that psychprison FOR LITTLE BRATS LIKE YOU! ELECTRO SHOCK SOME COMMON SENSE INTO U YOU SCUM!
Fu U!
Apparently NOT knowing ANY better" & having been practiced in ONLY FEAR, Inc.-type beliefs! EVEN 'elite' KIDS * fooled & coerced into such Stupidization! -- NOT TO MENTION THEIR PEERS - WITNESSING SUCH!
& with young people not usually able to articulate even (adequately) their feelings, much less their intuitive rebellion, well they're "NO MATCH" for coercive AUTHORITY -- all by design; In such ways, popular uprisings can be "nipped in the bud" as Chomsky exposes in the intro to Necessary Illusions (book).

Luckily,
not only did i stumble, finally, into cannabis, but i had already been still trusting my intuition enough that i discovered spirituality & life-vision quests!!!
page 2
Ah!
doing with various levels of creative intelligence, i experimented widely.
STOP WAR MYMIND!
WAR IS DUMB
Thanx, hun.
Dont mention it poopsie! heehee!
YooHoo!!

I don't break mystery (Flame) but challenge it! freak!
DON'T BELIEVE THE HYPE! 'MONSTERS' CAN CARE, TOO!
Uhhh, weird!
soon, my 420-inspired intuition kicked in! & I was freeing myself in some processes of creative spirit. Getting back in touch with my inner core-rior. For one.
A-Boom-A-MAD-DA!
Back when i was a kid, i used to sing & play surreal songs on a stage-like spot just outside of my room. note: my fangs only grew in much later!!
nostalgia!
SNIFF
No one cares?
More & more Alienation...
BUT.. NO MATTER WHAT I tried.. critical masses of strategically challenged persons (mostly)
You're NOT trustworthy even tho you profess peace + love + trust experts!
Implementing Rollbacks!
- seemed to be unable to see what they did when they assumed THE WORST & tried to project it.. on Me! As if they were Ian Mckenzie's cia. agents at home, or soldiers of Fortune 500's or seabrook's with Jeremy revelations!*
(cia?)
(* see end piece)
or, how about The Mass Psychology of Fascism by Wilhelm Reich?
..thus, my fangs gradually grew &, as I tried to navigate this hellhole of perpetual war/meta-intrigue..the cynicism began making me look ugly.
SNIFF
Yikes!
*yes, of course I succeed!

Lemme gift ya a lil' lesson in hir/history, k?!
From at least the early to mid 1970's & now still continuing, this latest "ROLLBACK" strategy aimed at forcing all liberation-seeking groups into believing they MUST SUBORDINATE TO "THE WAY THINGS ...ARE.'
GOTCHA!!
I got him too!
pile up!!
I got him!
Falling thoughtfully!
Institional analyst, @ Noam Chomsky, does a way better job of demystifying & giving a background. — see his speech on 'media control'!!
TACKLE him!!
A LOT MORE FUN THAN VID GAMES!
Basically, a neocolonial mindset (coerced into LOCKSTEP, intergenerationally) BELIEVING THAT (UNKNOWN(?) NEWLY) POWER SPOTS, ARE THE KEY to imploding the naughty peasants, or 'citizens' rise & rebellion!
very 'pragmatic' tactics mixed with severe alienation (& even expecting only 'The Worst') unable to see the mutually Liberating spirit of intergenerational sanity!!
..unable to even realize the value of seeing!

My art is scattered & yet perfectly imperfect!!!
